THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEVADA

SERVER TECHNOLOGY, INC. (a Nevada corporation),

Plaintiff,

v.

AMERICAN POWER CONVERSION CORPORATION (a Massachusetts corporation),

Defendant.

Case No. 3:06-CFV-00698-LRH-VPC

**STIPULATION TO EXTEND
DEADLINE FOR JOINT CLAIM
CHART AND PREHEARING
STATEMENT**

Server Technology, Inc. ("STI"), Plaintiff, and American Power Conversion Corporation ("APC"), Defendant, hereby stipulate to extend the due date for the Joint Claim Construction and Prehearing Statement from Tuesday, February 19, 2008, to Friday, February 22, 2008.

STI and APC state that the sought extension will give the parties additional time to analyze their respective proposed claim constructions and, perhaps as a result, reach agreement with respect to certain of such constructions. Any agreement the parties are able to reach with respect to proposed claim constructions likely will streamline the remaining claim construction process, including claim construction briefing, the claim construction hearing, and construction of the asserted claims of the patents-in-suit by the Court.

Wherefore, STI and APC respectfully request that the Court enter an order extending the deadline to the date above.

Respectfully submitted,

DATED this 19th day of February, 2008.
